25X1

1. Between 7 and 14 August 1950 it was learned that the Maschinen-Ausleih-Station (communal machinery pool) (MAS) in Landkreis Sonneberg (C 51/J 40) ordered all owners of tractors and prime movers in the county to report at the Sonneberg market place with their vehicles by 25 August 1950 for inspection and registration. *
2. Large quantities of gasoline and diesel oil in barrels were stored at the Sonneberg MAS pool between 7 and 14 August 1950.
3. The Dorunapht (German-Russian Petroleum Company) fuel depot at Sonneberg, consisting of 2½ underground containers, received for storage a daily quota of three or four tank cars of gasoline from 7 to 14 August 1950. No fuel was issued during that period. **

25X1 * [REDACTED] Comment. It was also reported from Berlin and Schwerin that civilian motor vehicles are to be registered and overhauled. [REDACTED] 25X1
 25X1 ** [REDACTED] Comment. The stockpiling of fuel and the suspension of its issuance was previously reported from depots in the Saalfeld area and from Strausberg. [REDACTED]
 25X1 [REDACTED] It is not known whether this measure was in connection with the present political tension or whether the stockpiles were built up for maneuvers.
